

Special Meeting
August 14, 2004

Meeting was held at Watertown Township Cemetery. Meacham called the meeting to order at 10:00 AM. Meacham, Frenzel, Coon, Edgett, Tanks, and Sam Fackler were present.

Sam Fackler took township board on a tour of the empty ground near the West lot line at the cemetery located on the South side of Millington Road.

It was decided that additional burial sites would be made available as follows:

In section D two rows can be added behind lots 72 – 81 and one row behind lots 88 & 89.

In section G one row behind lots 345 – 364.

Adding these burial sites will create approximately 108 new burial sites.

The new burial sites will be numbered in a special section beginning with number one. The lot number will be in the NE corner of the burial site and blank stakes will mark the other three corners.

Tanks will check on a vendor to buy metal stakes.

Frenzel brought forth a concern regarding the Weldon blight issue. After discussion, it was decided that Tanks will send Weldon a letter telling him that a crew will enter his property to remove items that are in violation of the township blight ordinance.

Tanks made motion to adjourn meeting. Meeting adjourned at 11:00 AM.
